General Information

Please join us in Asheville to share your innovative ideas in a beautiful setting. The conference, **Working Together for Strong Healthy and Supportive Communities – Senior Nutrition Program**, is a great opportunity for you and your colleagues to learn about the Hot Topics and innovative ideas happening in the Senior Nutrition Program. You will also have an opportunity to network with your peers and participate in the vendor show where the latest equipment and products will be presented. *Don't miss out* - be a part of the conference this year!

August 28, 2008 (Thursday)
